Certification number: 151

Dear Mrs. Simona Silva

Subject: Management System Certification by ISONIKE

We are pleased to confirm that your organization's management system is certified by the ISONIKE Certification Body to **ISO 26000:2010**. **Our most sincere congratulations on your achievement!** Please find attached all required certificates for the above-mentioned certification, with validity until 25/07/2025.

We kindly request your attention for few minutes in order to communicate some important information regarding the certification of your organization:

1. As an ISONIKE certified organization **you are entitled to use these certificates** to prove the compliance of your organization's management system with the above-mentioned standards.
2. All certificates issued by our Certification Body bare a **unique Quick Response Code (QR Code)** printed on them. This code, when scanned by QR Code scanning software, connects to our online database and provides up-to-date information and indication of the status (valid/non-valid) of the certification. **In this way any interested party may verify the legitimacy and validity of your certificates in real time directly through our database.**
3. **This certification provides you with the unique privilege of using the logos of our Certification body. The use of the logos must be in accordance with the regulatory framework for the use of logos** which in turn is provided at the link <https://bit.ly/353SjRK> . Also, **access to logo files in digital format** is provided through the <http://bit.ly/3ocgaGI> link. Access to the digital logos requires the use of a password which you can receive by sending a request via email to: info@isonike.com .
4. The certification **remains valid subject to compliance with the Certification Regulations which is published** on the website of our Certification Body at the link <https://bit.ly/2Xb5jAC> . It must be noted that according to the accreditation regulatory framework and certification regulations, **the conduct of surveillance assessments in periods not exceeding 12 months** from the previous assessment **is a necessary condition for the maintenance of the certification. Any delay in the conduct of the required assessments results in the suspension or withdrawal of the certification.**

The date for the first surveillance assessment of your organization's management system is set for 23/07/2023. This date will be confirmed by a representative of our Certification Body within 4-5 weeks prior to this date.

Closing, we would like to congratulate you once more for the certification of your organization and to thank you for entrusting our Certification Body with such an important project.

We wish you every success in your future endeavors and remain at your disposal for any further information.

Yours sincerely,

G. Chatzikyriakou
Certification Officer
